

JACOB BRASS – CIRCLETOWN.

INSPIRED OUT OF LOVE FOR 90S SINGER SONGWRITER MUSIC JACOB CREATED HIS OWN MUSICAL LANGUAGE OVER THE YEARS AND FOUND HIS WAY THROUGH THE JUNGLE OF ARTISTS TO EXPRESS HIMSELF WITH MUSIC AND WORDS THAT ARE TRULY HIS OWN.

COMING FROM MUNICH JACOB GREW UP IN A CITY NOT EXACTLY WORLD-FAMOUS FOR POPARTISTS WITH INTERNATIONAL AMBITIONS.

THE BEST WAY TO UNDERSTAND WHY IT WAS NEVERTHELESS THE MOST AUTHENTIC THING TO DO FOR JACOB TO PICK UP A GUITAR AND START WRITING HIS INCREDIBLE TUNES IS PROBABLY TO LISTEN TO HIS NEW ALBUM CIRCLETOWN.

THIS ALBUM DOESN'T NEED A PLACE OF ORIGIN OR A PIGEONHOLE WHERE IT FITS. IT'S SIMPLY NATURAL & BEAUTIFUL THE WAY IT IS. YOU'LL BE AMAZED HOW HONEST AND TOUCHING IT SOUNDS.

JACOB HAS BEEN TOURING WITH ACTS LIKE KATIE MELUA, RON SEXSMITH OR TINA DICO IN EUROPE AND IS PERFORMING WITH THE BEST-SELLING AUTHOR BENEDICT WELLS ON STAGE IN A NEW MIX OF READING AND CONCERT.
